

Northmont Percussion wins first competition of season

The Northmont Indoor Percussion Ensemble performed at their first MEPA competition at Miamisburg High School on Sunday, Jan. 25.

With four competing units in the Scholastic A Class, Northmont placed first with a score of 72.9. Centerville took second place with a score of 71.75. Third place went to Greenview and Clinton Massie took fourth.

Northmont's show entitled "The Sneetches" is based on a Dr. Seuss book related to living in a world of prejudice. The Percussion Ensemble brings this story to life in a musical and visual way.

Come see how the story is taking shape at their next MEPA performance at Miamisburg High School scheduled for Sunday, Feb. 15.
