

Northmont Marching Band draws a winner

The Northmont Band Boosters, in cooperation with Joseph Airport Toyota, held its car raffle drawing at the final regular season Northmont home game on Friday, Oct. 24.

The raffle was converted to a 50/50 drawing when the minimum number of tickets sold was not reached. Northmont City Schools Superintendent Doug Lance drew the winning ticket. The winner, Lori Rayome of Englewood, won \$7,930 less taxes. Lori is a former band parent.

The Band Boosters appreciate the sponsorship provided by Joseph Airport Toyota, which provided the use of a 2009 Toyota Corolla to promote the raffle. This raffle wouldn't have been possible without the participation of the Northmont community.

The Band Boosters appreciate all who participated and for their support of the Northmont Marching Band.
